Keeping in view the good market potential, the company carried out its Ship Breaking activities on a full scale during the year, moreover the company has resumed its trading activities in ferrous and non ferrous metals during the year and that is reflected in the increase in the Sales Performance of the company. During the year 2012-13, the company has scaled new heights in terms of Sales, Profits and Net worth. Turnover for the year was Rs. 143.48 Crores as against Rs. 92.87 Crores in the previous year. PAT for the year was at Rs. 5.57 Crores as against Rs. 4.27 Crores last year. In spite of heavy fluctuation in the prices of old ship in the international market and also heavy dollar exchange rate fluctuations, your company has been able to optimize the market situation and have achieved increase in Gross Revenues and Net profit Margins during the year. Your Directors are hopeful that there will be even more improvement in sales and profit margin in the coming year.

Dividend :

The Directors recommend a Dividend of 35% (Rs. 3.50 per share) on the Equity Share for the Financial Year ended March 31, 2013 for approval by the Members.

Prospects for the coming year :

During the financial year 2012-13, ship-breaking unit at Alang Ship Breaking Yard has shown sustained increase in performance in terms of Sales, moreover, the industry is still in its booming trend is expected to perform better in coming years also. During the year the company also resumed its business activities in Trading unit of the company has done tremendously well during the year and the trend is expected to continue in the coming years. The overall scenario of iron and steel is still very positive and it is hoped that the growth story of the unit shall be sustained in the coming years. Overall, since the prices of iron and Steel having been reasonably stabilized and the inventory levels of the company and its market position, both the segments of the company, viz. Ship Breaking and Trading, are expected to see major increase in terms of Gross Revenues and Net profit Margins in the coming year.

With the changed circumstances, the company is hopeful that in the coming period the company will continue its ship breaking activities and take it to the level of extended growth and will contribute more to the overall growth of the business of the company. The trading in Ferrous and Non Ferrous Metals, Scrap, Coal etc activities of the company are doing very well and are contributing considerably to the profitability of the company. However, the net profit margins of the company have not increase proportionate to the increase in sales achieved during the year because of various factors like rupee volatility as the majority of purchases in ship breaking and trading are imports, increase interest and finance costs etc. However, Your directors see a very positive and bright future prospects ahead for the company looking to the prevailing upward trend in the Iron and Steel sector in India and internationally.

The Company is hopeful that with the stabilizing the price for the old ship in the international market and also sale prices of companies products in the domestic market; the company will be able to improve the turnover and also the profitability in the coming year.

ANNEXURE – B: Management Discussion and Analysis

a) Overview :

The company is now a diversified company with the continuation of its ship breaking activities into full swing and further going into trading of ferrous and non ferrous metals, coal etc.

During the Year 2012-13, witnessed frequent fluctuation in the prices of old ship in the international market and also heavy dollar exchange rate fluctuations. This has adversely affected the profit margins of the company. However, the prices in Iron and steel industry are gradually getting stabilized, but the company has trade liabilities in foreign currency and depreciation in value of Indian Rupee vis-à-vis US Dollar remains a concerning area for the company even in the current year. The management is exercising caution in purchase of ships for breaking to optimize the profit margin and minimize the possibilities of losses, if so happens.

Whenever, there is no immediate payment liability against old ship purchased for breaking, the surplus funds available with the Company are given as loan on short term basis and also invested in the market for earning interest/short term capital gain. The Company is hopeful that the Company can earn reasonable return on this loans/investment.

Surplus funds are also invested in new avenues of earnings in the form of partnership with other entities like in Real Estate and Redeveloping firms. At present the Company has partnership with M/s Calvin Divine Enterprises with 20% share. The management is hopeful that the Company can earn reasonable return on this investment.

b) Segmental Review :

During the financial year 2012-13, ship-breaking industry at Alang Ship Breaking Yard seen a substantial growth and the trend is expected to continue in coming years also. However, fluctuating and volatile prices of old Ships, Iron and Steel products coupled with depreciation in value of Indian Rupee vis-à-vis US Dollar during the year, the net profit margins of this segment has been affected despite substantial increase in sales. The resumed Trading unit of the company has done tremendously well during the year.

i) Ship breaking :

As has been stated in the out-look, due to boom in the availability of old ships in the international market, the company's ship breaking unit at Alang Ship Breaking Yard, Bhavnagar was fully operational throughout the year. During the year company has also attained 15% growth in terms of sales turnover and has achieved sales turnover of Rs. 10,696.80 lacs as against 9,286.77 lacs last year. During the financial year 2012-13, ship-breaking unit seen a substantial growth and the trend is expected to continue in coming years also. However, fluctuating and volatile prices of old Ships, Iron and Steel products during the year and also major depreciation in value of Indian Rupee vis-à-vis US Dollar , the net profit margins of this segment has been affected despite substantial increase in sales. Though the year under review saw fluctuation in the international market of old ships coming for breaking, the management was very cautious and purchased ships at proper time and built a good level of inventories to earn better profits in coming years. Now the market has stabilized and taking into

account the inventory level of the company as at the year end, it is hoped that the turnover and the profitability will see a an increase in the current financial year.

ii) Trading

The Trading segment has also attained of sales turnover at Rs. 3,651.66 lacs Current Year. The segment has achieved net profit of Rs. 487.77 lacs Current year. The management is of the view that the iron and steel sector is doing well and with the expected boost in the economy the requirement of steel is slated to increase and the unit will also move further towards its sustained path of growth.

Segment Results :

Particulars	Trading Unit	Ship-Breaking	Total
a) External Sales/Revenue	3,651.66	10,696.80	14,348.46
Inter segment Sales/Revenue	-	318.76	-
Total Revenue	3,651.66	11,015.56	14,348.46
b) Segment Results Before Interest and Taxes	1,138.09	431.45	1569.54
c) Segment results as a % of total	72.51%	27.49%	100%
d) Segment Assets	10,365.95	1,380.62	11,746.57
e) Segment Liabilities	5,116.67	3,439.55	8,556.22

* Total Gross Revenue is after elimination of inter segment revenues of Rs.318.76 lacs.

c) Review of operation

As has been stated in the out-look, due to continuous availability of old ships in the international market, the company's ship breaking unit at Alang Ship Breaking Yard, Bhavnagar is fully operational through out the year and sales turnover in ship breaking activities has seen a substantial increase. Now the market has stabilized and taking into account the market standing of the company in Ship Breaking Market, it is hoped that the turnover and the profitability will see a considerable increase in the current financial year.

The trading unit will also continue to perform well keeping in the view that the iron and steel sector is doing well and with the expected boost in the economy the requirement of steel and other metals is slated to increase and the unit will also move further towards its sustained path of growth.

d) Financial Review and analysis :

- Cash Outflow from Financing Activities	1156.13	(1171.53)
- Net Cash Inform/(Outflow)	29.91	9.25

f) **Risk Management**

The Company is exposed to the risk from the market fluctuations of foreign exchange as well as the fluctuation in the price of iron and steel. The Company's raw material is old ship, which is purchased from the international market on credit ranging upto 180 days to 360 days. The Company is adopting policy of full hedging or covering the foreign exchange requirement, the Company is regularly monitoring the foreign exchange movement and suitable remedial measures are taken as and when felt necessary.

Though the company is employing such measures, the company is still exposed to the risk of any heavy foreign exchange fluctuation.

Likewise the company's finished products are mainly re-rollable scrap generated from ship breaking and the price of the same is linked to the market rate for iron and steel. Any up and down in the price of the iron and steel will affect the profitability of the company. However taking into account, the price fluctuations already affected during the year 2012-13, further major down / up ward trend in the price of iron and steel is not expected.

In addition to the above, the company is also exposed to the risk of fluctuation in the real estate and construction and Redeveloping market as the company has invested some of its surplus funds in partnership firm engaged in such business. However the Directors considering their past experience, is confident that the company will not face any major set back in this area.

ANNEXURE – C : Directors' Responsibility Statement

Pursuant to the requirement under Section 217(2AA) of the Companies Act, 1956 with respect to the Directors' Responsibility Statement, it is hereby confirmed:

- a) The financial statements have been prepared in conformity, in all material respects, with the Generally Accepted Accounting Principles in India and the Accounting Standards prescribed by the Institute of Chartered Accountants of India in a consistent manner and supported by reasonable and prudent judgments and estimates. The Directors believe that the financial statements reflect true and fair view of the financial position as on 31.3.2013 and of the results of operations for the year ended 31.3.2013.

The financial statements have been audited by M/s. P D Goplani & Associates, in accordance with generally accepted auditing standards, which include an assessment of the systems of internal controls and tests of transactions to the extent considered necessary by them to support their opinion.

- b) That the Directors had selected such Accounting policies and applied them and made judgments and estimates that were reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit or loss of the Company for the year under review.
- c) That the Directors had taken proper and sufficient care for the maintenance of adequate accounting records as required by virtue of statutes.

Directors have overall responsibility for the Company's internal control system, which is designed to provide a reasonable assurance for safeguarding of assets, reliability of financial records and for preventing and detecting fraud and other irregularities.

- d) In the opinion of the Directors, the Company will be in a position to carry on its existing commercial ship breaking business and accordingly it is considered appropriate to prepare the financial statements on the basis of going concern.
- e) The system of internal control is monitored by the internal audit function, which encompasses the examination and evaluation of the adequacy and effectiveness of the system of internal control and quality of performance in carrying out assigned responsibilities. Internal Audit Department interacts with all levels of management and the Statutory Auditors, and reports significant issues to the Audit Committee of the Board.

AUDITOR'S REPORT

To:

The Members

INDUCTO STEELS LIMITED

We have audited the accompanying financial statements of **INDUCTO STEELS LIMITED**, which comprise the Balance Sheet as at March 31, 2013, and the Statement of Profit and Loss and Cash Flow Statement for the year then ended, on that date annexed thereto (collectively referred to as financial statements) and a summary of significant accounting policies and other explanatory information.

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India: ***AS-15 for non provision for gratuity and long terms employee benefits.***

- a) In the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2013;
- b) in the case of the Statement of Profit and Loss, of the profit for the year ended on that date; and

- c) In the case of the Cash Flow Statement, of the cash flows for the year ended on that date.
1. As required by the Companies (Auditor's Report) Order, 2003 issued by the Central Government of India in terms of sub-section (4A) of section 227 of the Act, we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the Order.
2. As required by section 227(3) of the Act, we report that :
- a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books
- c) The Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the Balance Sheet and Statement of Profit & Loss dealt with by this report, read with other notes in Note 1, forming part of the accounts, comply with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956 except **AS-15 for non provision for gratuity and long terms employee benefits.**
- e) On the basis of written representations received from the directors as on March 31, 2013, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2013, from being appointed as a director in terms of clause (g) of sub-section (1) of section 274 of the Companies Act, 1956.
- f) Since the Central Government has not issued any notification as to the rate at which the cess is to be paid under section 441A of the Companies Act, 1956 nor has it issued any Rules under the said section, prescribing the manner in which such cess is to be paid, no cess is due and payable by the Company.

INDEPENDENT AUDITORS' REPORT ON CONSOLIDATED FINANCIAL STATEMENTS

To the Board of Directors of **Inducto Steels Limited**

We have audited the accompanying consolidated financial statements of **INDUCTO STEELS LIMITED** ("the Company") and its subsidiaries, which comprise the consolidated Balance Sheet as at March 31, 2013, and the consolidated Statement of Profit and Loss and consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Company in accordance with accounting principles generally accepted in India; this includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and presentation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on the financial statements of the subsidiaries as noted below, the consolidated financial statements give a true and fair view in conformity with the accounting principles generally accepted in India: **subject to: Note 1(m): with regard to non-Provision for liability for gratuity**

- (a) in the case of the consolidated Balance Sheet, of the state of affairs of the Company as at March 31, 2013;

- (b) in the case of the consolidated Statement of Profit and Loss , of the **profit** for the year ended on that date; and
- (c) in the case of the consolidated Cash Flow Statement, of the cash flows for the year ended on that date

Other Matter

We did not audit the financial statements of certain subsidiaries, whose financial statements reflect total assets (net) of Rs. 10,365.95 Lacs as at March 31, 2013, total revenues of Rs. 3,651.66 Lacs and net cash outflows amounting to Rs. 38.93 Lacs for the year then ended. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management, and our opinion is based solely on the reports of the other auditors. Our opinion is not qualified in respect of this matter.

INDUCTO STEELS LIMITED

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2013

1 CORPORATE INFORMATION :

Inducto Steels Limited is a public company domiciled in India and incorporated under the provisions of the Companies Act, 1956. Its shares is listed on BSE (Bombay Stock Exchange) in India.

During the year, the Company was engaged in the ship breaking business and trading activities in ferrous and non ferrous metals, coal etc. However, as and when any surplus fund are available, the same is given on interest to other parties and also invested in the shares and securities to earn short term and long term capital gains.

1.1 BASIS OF PRESENTATION :

The financial statements of the company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The company has prepared these financial statements to comply in all material respects with the accounting standards notified under the Companies (Accounting Standards) Rules, 2006 (as amended) and the relevant provisions of the Companies Act, 1956. The financial statements have been prepared on an accrual basis and under the historical cost convention.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year, except for the change in accounting policy explained below.

a) SIGNIFICANT ACCOUNTING POLICIES :

Accounts are prepared on historical cost & accrual concept basis and in accordance with the generally accepted accounting principles in India, the applicable mandatory Accounting standards as notified by the Companies (Accounting Standard) Rules, 2006 and relevant provisions of the Companies Act, 1956 of India.

b) USE OF ESTIMATES :

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

c) TANGIBLE FIXED ASSETS :

Fixed Assets are stated at cost, less accumulated depreciation (other than 'Freehold Land' where no depreciation is charged) and impairment loss, if any. Cost comprises the purchase price, including duties and other non-refundable taxes or levies any directly attributable cost of bringing the asset to its working condition and indirect costs specifically attributable to construction of a project or to the acquisition of a fixed asset.

In the event of the same having been revalued, they are stated at the revalued figures. Expenditures relating to fixed assets is added to costs only when the same involved modification work whereby it increases the life of the assets. Fixed assets acquired from ships during the course of scrapping operation are capitalised at value estimated by the management.

d) DEPRECIATION ON TANGIBLE ASSETS :

- I Depreciation is provided on the straight line method, pro-rata basis to the period of use, so as to writtenoff the original cost of the asset over the remaining estimated useful life (as per technical evaluation by the Management at the time of acquisition) or at rates prescribed under the Schedule XIV to the Companies Act, 1956, whichever is higher, on the following basis :

Tangibale Fixed Assets	Method	Estimated useful Life
Factory Shed & Building	Straight line	Not Estimated
Other Buildings	Straight line	Not Estimated
Plant & Machinery	Straight line	3 to 10 Years
Furniture & Fixtures, Office Equipments, etc	Straight line	5 Years
Vehicle	Straight line	4 Years
Computers	Straight line	3 Years
Leasehold improvements	25% or the rate based on lease period, whichever is higher	

- II No depreciation is provided for assets sold during the year whereas pro-rata depreciation is provided on assets acquired during the year.

e) IMPAIRMENT OF ASSTES :

The Company assesses on each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The amount so reduced is treated as an impairment loss and is recognised in the Statement of Profit and Loss, except in case of revalued assets, where it is first adjusted against the related balance in fixed assets revaluation reserve.

If at the balance sheet date, there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is carried at the recoverable amount subject to a maximum of depreciated historical cost.

f) BORROWING COSTS :

Borrowing costs that are directly attributable to the acquisition, construction/ development of a qualifying asset are capitalized as a part of cost of such asset. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

Costs in connection with borrowing of funds to the extent not directly related to the acquisition of fixed assets are amortised and charged to the Statement of Profit and Loss, over the tenure of the loan.

g) INVESTMENTS :

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

Investment in Partnership Firm as M/s. Calvin Divine Enterprise, as trade investment which shown at their book value at cost.

h) VALUATION OF INVENTORIES :

The weight of the ship purchased is accounted in terms of LDT of the ship at the time of its construction. Ascertaining of weight of ship at the time of purchase is not possible due to its nature and size. There is loss of weight on account of corrosion and other factors during the usage of the ship and its voyage for about 20 to 25 years.

Inventory at the close of the year is ascertained by reducing the weight of the scrap sold together with the estimated wastage of the material.

Stores & Spares are written off at the time of purchase itself and no inventory is maintained.

The inventory is valued at cost.

i) RECOGNITION OF INCOME AND EXPENDITURE :

Revenue is recognised only when it can be reliably measured and it is reasonable to accept ultimate collection. Turnover include sale of goods, services, sales tax, service tax, excise duty and sales during trial run period, adjusted for discounts (net) , Value Added Tax and gain/loss corresponding hedge contracts.

Dividend income is recognized when right to receive is established. Interest income is recognized on time proportion basis taking into account the amount outstanding and rate applicable.

j) FOREIGN CURRENCY TRANSACTIONS :

Purchase in respect of materials are accounted for on actual payment basis if the same are made before the year end and/or at the rate of foreign exchange booking are made. In all other cases, the purchases and also the liability in respect of said foreign exchange are stated as converted at the exchnage rate prevalent at the last day of the financial year.

k) EXCISE DUTY & CENVAT :

Excise duty is chargeable on production but is payable on clearance of goods. Accordingly excise duty on the goods manufactured by the company is accounted for at the time of their clearance. Excise duty payable is adjusted against the Cenvat

credits, to the extent it is available and balance duty is paid and debited to Revenue.

l) PROVISION FOR TAXATION :

Tax expense comprises both current and deferred tax.

Current income-tax is recognised at the amount expected to be paid to the tax authorities, using the tax rates and tax laws, enacted or substantially enacted as at the balance sheet date. Income from shipping activities is assessed on the basis of deemed tonnage income of the Company.

Deferred income-tax is recognised on timing differences, between taxable income and accounting income which originate in one period and are capable of reversal in one or more subsequent periods only in respect of the nonshipping activities of the Company. The tax effect is calculated on the accumulated timing differences at the year end based on tax rates and laws, enacted or substantially enacted as of the balance sheet date. Deferred Tax Assets are recognised and carried forward only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such Deferred Tax Assets can be realised.

Minimum Alternate Tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period.

m) RETIREMENT BENEFITS :

The management is of the opinion that since none of the employees of the company were in continuous service of more than five years, making provision of gratuity does not arise. The Management is also of the opinion that the payment of pension Act, is not applicable to the Company.

n) EARNING PER SHARE :

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

o) PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS :

A provision is recognised when the company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the

amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The company does not recognise a contingent liability but discloses its existence in the financial statements.

Contingent assets are neither recognised nor disclosed in the financial statements.

p) CASH & CASH EQUIVALENTS :

For the purpose of presentation in the statement of cash flows, cash and cash equivalents include cash on hand, cash at bank and short-term fixed deposits with maturity period not more than three months.

q) MEASUREMENT OF EBITDA :

As permitted by the Guidance Note on the Revised Schedule VI to the Companies Act, 1956, the company has elected to present earnings before interest, tax, depreciation and amortization (EBITDA) as a separate line item on the face of the statement of profit and loss. The company measures EBITDA on the basis of profit/(loss) from current year operations. In its measurement, the company does not include depreciation and amortization expense, finance costs and tax expense.

1.2 NOTES FORMING PART OF THE ACCOUNTS

- a) During the year, the company was engaged ship breaking activities and in trading in metal scrap, coals, aluminium foil & other industrial inouts. However, as and when any surplus fund are available, the same is given on interest to other parties and also invested in the shares and securities to earn short term and long term capital gains.
- b) In the opinion of the Management, the realisable value of the fixed assets of the company are much higher than the carrying cost and therefore, no provision for impairment is required to be made.
- c) The company has no information as to whether any of its suppliers constitute micro, small and medium enterprises as per Micro, Small and Medium Enterprises Development Act, 2006 and therefore the amount due to such suppliers has not been identified.
- d) The major components of the Deferred Tax Assets/Liabilities, based on the tax effect of the timing differences, as at 31st March 2013, are as under.
